

FIRST LIGHT 2026 · SPONSORSHIP

Put your company in the room.

Two ways to sponsor a private screening of *Dune: Part Three* for 150 guests, before opening weekend. Both close Friday, October 30.

Presenting Sponsor

\$6,000

TWO AVAILABLE

A 45-second video on the big screen before the film

Six VIP seats, open bar, and a reserved area at the reception

A full-page ad in the printed art book

Your name on the five workshops it funds, through 2027

Supporting Sponsor

\$2,500

FOUR AVAILABLE

Shared on-screen recognition before the film

Two VIP seats, open bar, and early entry to the reception

A half-page ad in the printed art book

Your name on the two workshops it funds

Full benefits at citizenmedic.org/sponsors.html. If neither fits, we will build a sponsorship around your company.

“Seeing XÜM on the big screen ahead of *Dune: Part Two* was thrilling. Citizen Medic made it feel like more than an advertisement, and XÜM became part of the occasion itself.”

Avens O'Brien, Co-Founder and Vice President of Operations, Advanced Mycology

WHAT IT FUNDS

Citizen Medic Foundation teaches first aid, CPR, and disaster preparedness to people outside medicine, and has trained more than 500 motorcyclists since 2019. Each workshop costs the Foundation about \$1,000.

Both tiers close Friday, October 30.

Or when the available slots are sold. Sponsorships are invoiced.
